# AIM OF TRUST VISION INVESTMENT

## OUR MISSION

To be the trusted capital partner to management teams and stakeholders who share our passion for creating and growing innovative companies that improve the quality, accessibility and affordability of healthcare in GCC area.

## OUR VISION

To be the leading healthcare investment firm within GCC, improving the well-being of patients and all others we serve.

## GROWTH BUYOUT STRATEGY

To partner actively with the most accomplished & innovative executive teams in the healthcare industry in GCC area to develop compelling, growth-oriented companies which capitalize on long-term international trends.

## OUR CORE VALUES

### Integrity

We choose the harder right over the easier wrong in serving the interests of patients, investors, portfolio companies, and other stakeholders in the healthcare ecosystem.

### Transparency

We promote constructively-candid and respectful dialogue to get to the right answers.

### Empowerment

We invest in each other (early, often, and thoughtfully) and take ownership in a collaborative, compassionate and respectful manner to achieve firm goals.

### Social Impact

We will effect positive change in the areas of diversity, equity, inclusion, accessibility and the environment.

### Perseverance

We advance patient care with determination and purpose to positively impact our community.

### Performance

We deliver superior results to our investors and improved outcomes for everyone we serve.

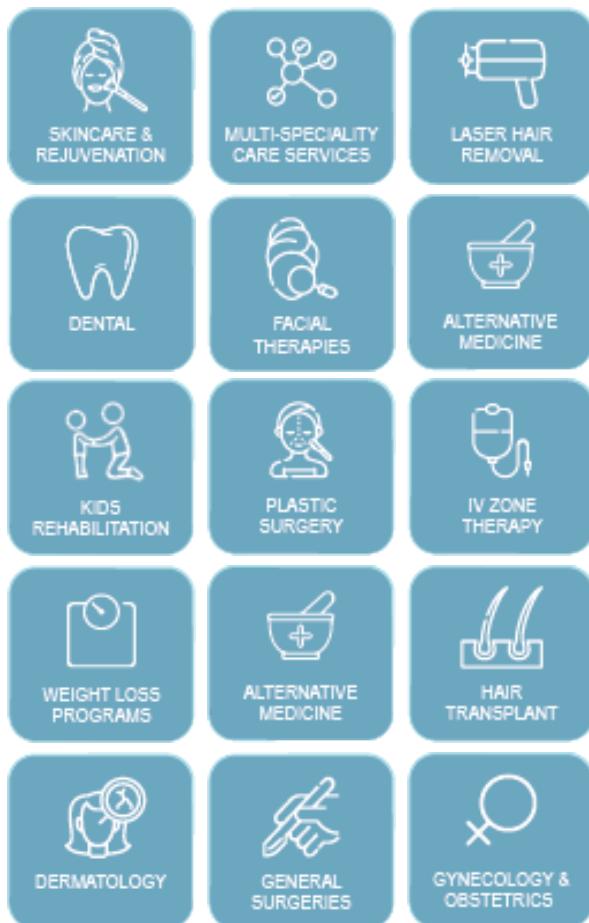

# TRUST VISION INVESTMENT'S BRAND SERVICES

## Target Overview

- Owned and managed by veteran doctor, the Target focuses on a buy and build strategy comprising of healthcare entities focusing on cosmetics, dermatology, dental, rehabilitation & multispecialty services.
- The Target demonstrated a strong growth trajectory TVI START 2020-2021, whilst remaining profitable and debt-free, and significantly increased revenues and earnings during COVID-19.
- It is expected that the Target will continue to benefit from the increase in average household income, healthcare spend per capita and demographic shifts in the UAE whilst it plans to grow within its catchment as well as in GCC market.

## Services offered

## Market Overview

- Growing market: Outlook for the dental/derma/cosmetic industry remains strong due to ageing populations, increased desire to preserve natural teeth, a rising demand for preventative care due to awareness of oral hygiene and increased focus on appearance.
- Preference during COVID: There has been significant shift where the mass population prefers to visit smaller clinics/polyclinics for Dental / Cosmetic / Derma needs rather than large hospital due to fear of disease spread.
- Sizeable consolidation opportunity: UAE market remains highly fragmented, consolidation is still in its early stage.
- Chain advantages: Sizeable opportunity to acquire individual clinics and groups to form chains thereby creating multiples arbitrage, economies of scale, operational and procurement efficiencies. Chains also seek to provide a one-stop shop to patients with increased consistency, specialization and technologies to provide broader services and increased quality of care, thus helping to attract higher exit multiple.

## INVESTMENT RATIONALE

- Only Diversified Multi-specialty Healthcare Chain Focused in the UAE
- Multi-brand Strategy to Cater Middle to High Income Consumer Segments
- Well-positioned to Act as Feeder for Upcoming Specialty hospital (True Life)
- Consistently Positive Financial Performance & Strong YoY Performance (With Revenue & Ebitda Growth During Covid-19)
- Well-experienced and Positioned to Expand in KSA and Benefit from KSA Demographics Profile & Disease Dynamics
- Experienced Management Team Layer to Manage Marketing, Quality Assurance, Procurement, Human Resources, Acquisitions & IT Services
- Experienced Management Team Layer to Manage Marketing, Quality Assurance, Procurement, Human Resources, Acquisitions & IT Services
- Healthcare is a High Priority Sector for UAE/KSA Government; Furthermore, Gradual Rollout of 'Mandatory Health Insurance' in the UAE/KSA is Expected to Translate into Increase in Demand
